

FRP INSTITUTE, CHENNAI

FRP INSTITUTE is a professional society registered under Govt. of Tamil Nadu Societies Act-1975. It has an all India membership consisting of scientists, composite specialists, fabricators, raw material suppliers, consultants, designers, defence laboratories, educational institutions etc. The Institute works in close collaboration with the industries and institutions for upgrading the Composites Technology and to promote the growth of the Indian composites industry.

FRP Institute has the following main objectives in-order to promote growth of industry:

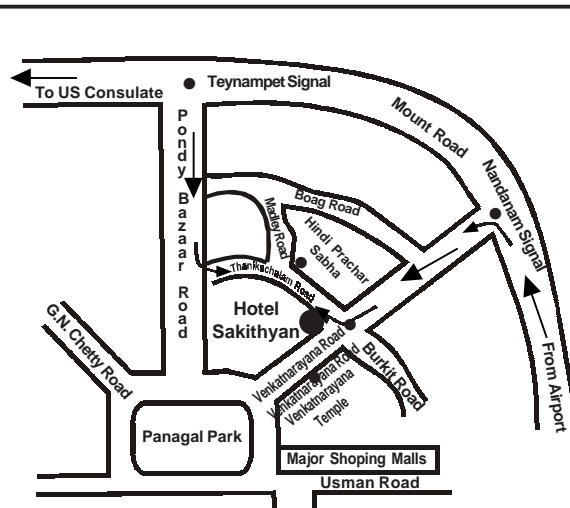

- i) Education & Training**
- ii) Upgradation of Technology & Quality**
- iii) Growth & Exports**

This one day programme is being organized in association with Epsilon composite solution with a view to promote product quality with improved raw materials and to introduce new technology to Indian composites industry.

EPSILON COMPOSITE SOLUTIONS, PUNE

ECS is a team of professionals having more than a decade of international experience in Composites Design, Engineering and Process development.

With an objective to make Indian Composites industry a World-class source for composites, ECS endeavors to bring specialty products to India for High performance composites.

ONE DAY TRAINING PROGRAMME AND DEMONSTRATIONS

**HOW TO BUILD ZERO SHRINK
MOULDS IN ONE DAY WITH RAPID
CURE RESINS FROM NORD
COMPOSITES**

AND

**NEW TECHNOLOGY FROM
PLASTECH, UK TO MAKE RTM
PARTS WITHOUT NEED OF A
MACHINE.**

on

28 th July 2006

at

Nakshatra - Hall

Hotel Sakithyan

#42, Thanickachalam Road
(Near Hindi Prachar Sabha)
T.Nagar, Chennai 600 01.

Organized by

**FRP INSTITUTE, Chennai
&
EPSILON COMPOSITE SOLUTIONS,
Pune.**

FRP INSTITUTE, Chennai
& **EPSILON COMPOSITE SOLUTIONS - ECS,**
Pune are organizing one-day course on

**1) ZERO SHRINK, ULTRA FAST TOOLING
RESINS FROM NORD COMPOSITES :**

The workshop intends to provide a step-by-step study with demonstration of Tooling resin system from **Nord Composites**.

ADVANTAGES :

- Pre accelerated resin with fillers added.
- Performs like a normal laminating resin.
- Rapid cure gives rapid mould making.
- Perfect surface replication on the cured laminate.
- Colour shift indicates when the laminate is cured.
- Speed of production cuts mould-making costs.
- Longer life than conventional GRP moulds.
- Complete dimensional stability.
- Normal resin storage life without filler settlement.

Vinyl ester resins & gel coats available for enhanced performance.

2) ECS presents the demonstration of **NEW TECHNOLOGY** from **PLASTECH, UK** for making small & midsize composite parts by **MACHINELESS MONO-VACUUM-CLOSED MOULDING PROCESS.**

COURSE PROGRAMME

Date :

Friday, 28th July 2006

Venue :

Nakshatra - Hall

Hotel Sakithyan

#42, Thanickachalam Road
(Near Hindi Prachar Sabha)
T.Nagar, Chennai 600 017.

AGENDA

1000 to 1030 hours	Registration, Tea
1030 to 1330 hours	Session I Introduction, Mould Making Demo, Theory presentation
1330 to 1430 hours	Lunch Break
1430 to 1600 hours	Session II Mono Vacuum Demo., Mould Release
1600 to 1630 hours	Interactive Discussions, Tea

FACULTY :

Mr. Barry Chisnall
Nord Composites

Mr. Agnel Pereira
Epsilon Composite Solutions.

REGISTRATION :

Contact

Dr. A. Selvam,
Executive Secretary,
FRP Institute
Mobile No. 098414 26644

REGISTRATION FORM

(Separate form should be filled for each delegate)

Course Fees : Rs.1000/- (Rupees one thousand only)

+ Service Tax @ 12.24%

(Total - Rs.1122/-) per participant.

(Course fee includes, Course notes, Tea & Lunch)

Name : _____

Designation : _____

Organisation : _____

Address : _____

Tel. No. _____

Fax : _____

E-mail : _____

Payment Detail : DD No. _____

Date : _____

Amount Rs. **Rs.1122/-**

(Rs. One Thousand One Hundred Twenty Two Only)

Name of Bank : _____

Signature _____

Please forward the completed form together with DD drawn in favour of "FRP Institute" payable at Chennai. Local cheque or at par cheque are also accepted.
