

India Pavilion organized by FRP Institute at JEC Europe 2012 in Paris, France

The JEC Europe 2012 was held during 27th to 29th March, 2012 at Paris, France and this is the biggest exhibition on Composites in the world. FRP Institute in association with The Plastics Export Promotion Council organized the India Pavilion in the above exhibition for the benefit of Indian Composites Industry. The companies/organisations participated in the India pavilion are Kush Synthetics, Mechemco, CNC Technics, Permali Wallace, Satyen Polymers, Adex Composites, Tide Industries, The Plastics Export Promotion Council and FRP Institute. The JEC show in Paris attracts large number of International visitors which would be an ideal platform for the Indian companies to explore export opportunities.

According to recent press release from JEC, the JEC Europe 2012 attracted 32,256 visitors as compared to 29,867 visitors in 2011 event. More than 1,181 companies participated in the exhibition covering an exhibition area of about 50,000 Sq meters.
